

Mohamed Mabrouk

Frontend Engineer

Phone: 01142596178 Email: mohamedmabrouk2001@gmail.com Portfolio: <https://mohamedbrka.github.io/Portfolio/>

Location: Cairo, Egypt

SUMMARY

I am a Front-End Developer and a recent graduate eager to contribute to building responsive websites utilizing my skills in HTML, CSS, and JavaScript. With hands-on experience as an intern, I seek to become a full-stack developer by expanding my knowledge in back-end technologies such as C# and .NET. My commitment to self-learning and problem-solving makes me a valuable team member

EXPERIENCE

Front-End Intern

Cairo, Egypt

Digital Pathways for Employment (DPE)

02/2023 - 05/2023

An organization focused on employment services and training

- Participated in a structured front-end development internship focused on building modern websites
- Received hands-on training and supervision in HTML, CSS3, Bootstrap, JavaScript, Git, and GitHub
- Contributed to the design and development of internal company projects
- Worked on a final project for the company and presented it during a graduation day event
- Successfully completed the internship with a final score of 91%
